Admin Screen – Customer Tab

The screenshot shows the DM Admin application window. On the left is a vertical sidebar with a dark background and a light-colored arrow pointing right. The sidebar contains the text "DM Admin" at the top and "Deployment Master 2000" further down. The main window has a dark title bar with three window control buttons (minimize, maximize, close) on the right. Below the title bar is a horizontal menu bar with five tabs: "Customer", "Domain", "Site", "Server", and "Users". The "Domain" tab is currently selected. Below the menu bar is a large white area containing the text: "You can use this wizard to add a new domain or edit properties for the existing ones". Below this text are two buttons: "Add Domain" and "Edit a Domain". At the bottom of the window is a "Logout" button.

Admin Screen – User Tab

The screenshot shows the 'DM Admin' window with the 'Users' tab selected. The window has a sidebar on the left with 'DM Admin' and 'Deployment Master 2000' buttons. The main area has tabs for 'Customer', 'Domain', 'Site', 'Server', and 'Users'. Below the tabs, a message states: 'You can use this wizard to add a new user or edit properties for the existing ones'. There are two buttons: 'Add a User' and 'Edit a User'. At the bottom left is a 'Logoff' button.

The 'Add New User' dialog box is shown with the 'Users' tab selected. It contains the following fields and options:

- Username** (Required field)
- Password** (Must be at least 6 characters)
- Confirm Password** (Must be the same as above)
- Language** (Dropdown menu set to 'English')
- Expiration Date** (Month, Day, Year)
- ASP Name** (Dropdown menu set to '-Select an ASP-')
- Telephone**
- Email**
- Administrative User:** ☐ **Project Manager:** ☐ **Installer:** ☒
- OK** and **Cancel** buttons
- Logoff** button at the bottom left

Console Screen – Hardware Tab Continued

The screenshot shows a window titled "Deployment Master Upload" with a "SAXFile" tab. The main area displays a list of files to be transferred, organized in two columns. The first column lists files with paths like "||sdrive\c:\pxelnew\ASPIID0. OUT\090270CF.39E". The second column lists files with paths like "||sdrive\c:\pxelnew\ASPIID0. OUT\09027A35.70A". At the bottom, there is a confirmation dialog with "Yes" and "No" buttons. The "Yes" button is highlighted with a mouse cursor.
